SKIN BALANCE

originally 100% natural care for face, body and hair

*The rose is a rose from the time it is a seed to the time it dies.
Within it, at all times, it contains its whole potential.
It seems to be constantly in the process of change:
Yet at each state, at each moment, it is perfectly all right as it is.*

Paulo Coelho

Why a skin care line that is originally 100% natural?

There is a rule of thumb “only put products on your skin that you can also eat.” Van der Pigge Huidbalans (Skin Balance) contains no substances that can harm your health. No parabens (chemical preservatives), no mineral oils or silicones, no nylon particles or microplastics and no synthetic ingredients: originally 100% natural.

This means you sometimes have to shake a product well before use, because the emulsifiers used are also of natural origin. A shampoo can also foam less well than you are used to because no aggressive soaps are used.

And it can be getting used to that there are no synthetic fragrances in it: the scents are soft and natural. We know for sure that it is a relief and that you will not want anything else in the future.

Packaging

We like to contribute to a better environment and that is why our skin care packaging is made of plastic which is very suitable for recycling

Online

Our products are also available online. All extensive product information can be found on vanderpigge.nl.

For professionals

Are you a professional? You can create an account via our website. There you will receive a login code for special rates and you will receive a monthly newsletter with information about developments in our range.

Our products are made as much as possible with raw materials from organic cultivation and almost all have the NCS quality mark (Natural Cosmetics Standard). This means:

- no microplastics
- no genetically modified ingredients
- no parabens, silicones, PEGs or phthalates
- no irradiated ingredients
- only natural fragrances and plant based solvents
- packaging material that can be recycled or reused
- not tested on animals

In other words, a natural cosmetics standard based on sustainability. Something to be very happy with and proud of. EcoControl guarantees the control of the organic ingredients in all our products. Van der Pigge guarantees a reliable product, as our customers have come to expect since 1849.

Claims on skin care

Under European Claims Law, we are only allowed to use permitted health claims and we are not allowed to use so-called medical claims.

FACIAL CARE

Our face creams form the heart of the Huidbalans line.
They are soft and perfectly suited for sensitive skin,
but powerful enough to effectively nourish your skin
with the nourishing ingredients it needs.

First clean your skin with the Macadamia Cleansing Milk and
the Hamamelis Cleansing Lotion or with the Herbal Wash Gel.
Then apply your face cream.

MACADAMIA DAY AND NIGHT CREAM

It really does exist: a perfect cream that is suitable for all skin types. This cream is wonderfully creamy, but leaves no greasy layer. Can be used both as a day and night cream, this all-rounder. The sophisticated composition gives your skin what it naturally requires. The Macadamia Day and Night Cream supports the healing power of the skin and is moisturizing and soothing. Suitable for all skin types.

JOJOBA REGENERATION CREAM WITH UV-A-FILTER

This cream protects your skin against the first signs of aging and helps to delay the formation of wrinkles and age spots. Nourishing organic oils and Q10 keep your skin elastic. Natural ceramide makes this cream moisturizing. Very special about this cream: it contains a natural uv-A-filter from algae. This filter protects your skin all day long against the harmful effects of daylight, which promotes skin aging and age spots (not to be confused with an uv-B-filter, which is used as sun protection). This cream is suitable for mature skin and skin with early skin aging.

Ingredients

Aqua, Macadamia Integrifolia Seed Oil* (**macadamia oil**), Butyrospermum Parkii Butter* (**shea butter**), Glycerin, Cetearyl Alcohol, Simmondsia Chinensis Seed Oil* (**jojoba oil**), Glyceryl Stearate, Argania Spinosa Kernel Oil* (**argan oil**), Prunus Amygdalus Dulcis Oil (**almond oil**), Limnanthes Alba Seed Oil (**limanthes oil**), Persea Gratissima Oil* (**avocado oil**), Sodium Cetearyl Sulfate, Cocos Nucifera Oil* (**coconut oil**), Rosa Canina Fruit Oil* (**rosehip oil**), Cetyl Palmitate, Oenothera Biennis Oil* (**primrose oil**), Alcohol, Betaine, Parfum, Porphyra Umbilicalis Extract (**purple algae**), Levulinic Acid, P-Anisic Acid, Tocopherol, Equisetum Arvense Leaf Extract* (**horsetail extract**), Sodium Levulinate, Ascorbyl Palmitate, Calendula Officinalis Flower Extract* (**marigold extract**), Sodium Benzoate, Aloe Barbadensis Leaf Juice Powder* (**aloe vera powder**), Potassium Sorbate, Helianthus Annuus Seed Oil* (**sunflower oil**), Ceramide Np, Phytic Acid, Camellia Sinensis Leaf Extract (**green tea extract**), Disodium Cocoyl Glutamate, Sodium Cocoyl Glutamate, Sodium Lactate, Citric Acid, Lactic Acid, Ubiquinone (Q10), Lavandula Hybrida Grosso Herb Oil (**lavender oil**). Preserved with Potassium Sorbate and Sodium Benzoate.

SHEA BUTTER REPAIR CREAM WITH UV-A-FILTER

This rich cream provides intensive care for mature or very dry skin. An (extremely) rough and chapped skin benefits immediately from this cream. A natural uv-A-filter from algae protects your skin throughout the day against the harmful effects of daylight which can promote skin aging, wrinkles and age spots (not to be confused with an uv-B-filter which is used as sun protection). Perfect to use as an anti-aging and to use as a day and night cream. Apply thinly.

Ingredients

Aqua, Limnanthes Alba Seed Oil (**limanthes oil**), Butyrospermum Parkii Butter* (**shea butter**), Cocos Nucifera Oil* (**coconut oil**), Glycerin, Cetearyl Alcohol, Argania Spinosa Kernel Oil* (**argan oil**), Prunus Amygdalus Dulcis Oil (**almond oil**), Persea Gratissima Oil* (**avocado oil**), Glyceryl Stearate, Sodium Cetearyl Sulfate, Oenothera Biennis Oil* (**primrose oil**), Oryza Sativa Bran Oil (**rice oil**), Parfum, Rosa Canina Fruit Oil (**rosehip oil**), Ectoin, Alcohol, Cetyl Palmitate, Levulinic Acid, P-Anisic Acid, Xanthan Gum, Porphyra Umbilicalis Extract (**purple algae**), Tocopherol, Sodium Levulinate, Potassium Sorbate, Aloe Barbadensis Leaf Juice Powder* (**aloe vera powder**), Ascorbyl Palmitate, Sodium Hyaluronate (**hyaluronic acid**), Chamomilla Recutita Flower Extract* (**chamomile extract**), Helianthus Annuus Seed Oil* (**sunflower oil**), Cera-mide Np, Citrus Reticulata Peel Oil (**tangarine oil**), Phytic Acid, Limonene**, Sodium Benzoate, Camellia Sinensis Leaf Extract (**green tea extract**), Simmondsia Chinensis Seed Oil* (**jojoba oil**), Disodium Cocoyl Glutamate, Sodium Cocoyl Glutamate, Sodium Lactate, Lactic Acid, Lavandula Hybrida Grosso Herb Oil (**lavender oil**), Daucus Carota Sativa Root Extract* (**carrot extract**), Rosmarinus Officinalis Leaf Extract* (**rosemary extract**). Preserved with Potassium Sorbate and Sodium Benzoate.

ALOE VERA FACE SERUM

A gentle powerhouse for tired and dehydrated skin. This natural gel improves the resilience of your skin, keeps it elastic and helps to delay wrinkling. The liposomes add cell-protecting antioxidants and moisture components. Aloe Vera Face Serum protects against aging and a loss of vitality. This gel contains no fat components, so it is advisable to apply a cream after this serum. Use the serum after cleaning.

Ingredients

Aqua, Glycerin, Xanthan Gum, Leontopodium Alpinum Extract (**edelweiss extract**), Alcohol, Chondrus Crispus Powder (**red algae powder**), Sodium Anisate, Sodium Levulinate, Aloe Barbadensis Leaf Juice Powder* (**aloe vera powder**), Lecithin, Potassium Sorbate, Parfum, Calendula Officinalis Flower Extract* (**marigold extract**), Phytic Acid, Sodium Benzoate, Lactic Acid, Juniperus Mexicana Oil (**juniper oil**), Citric Acid, Simmondsia Chinensis Seed Oil* (**jojoba oil**), Lavandula Hybrida Grosso Herb Oil (**lavender oil**), Daucus Carota Sativa Root Extract* (**carrot extract**), Rosmarinus Officinalis Leaf Extract* (**rosemary extract**). HAIR CARE

Our shampoos do not contain any aggressive soaps.
They are made with a very mild soap base that does not
strip your hair, but respects the natural acidity of skin and hair.
This keeps your hair shine and resilience and keeps your scalp healthy.
These shampoos also foam a lot less than you might be used to.

BURDOCK SHAMPOO FOR DRY HAIR

This is the best shampoo for dry or damaged hair. Whether it is caused by blow drying, permanent, coloring or curling, this is the natural answer. This shampoo improves circulation and stimulates healthy hair growth. Burdock Shampoo brings your hair back to life.

Damaged hair must be washed as gently as possible. This shampoo therefore contains very few soap substances and relatively many strengthening nutrients (such as aloe vera). This shampoo therefore foams very little and spreads a bit more slowly over your hair. So let the shampoo soak in before rinsing and possibly wash your hair twice.

Ingredients

Aqua, Glycerin, Coco-Glucoside, Decyl Glucoside, Sodium Cocoyl Glutamate, Disodium Cocoyl Glutamate, Citric Acid, Alcohol, Xanthan Gum, Betaine, Parfum, Caprylyl/Capryl Glucoside, Sodium Anisate, Sodium Levulinate, Lactic Acid, Chondrus Crispus Powder (**red algae powder**), Macadamia Integrifolia Seed Oil* (**macadamia oil**), Arctium Lappa Root Extract* (**burdock extract**), Potassium Sorbate, Aloe Barbadensis Leaf Juice Powder* (**aloe vera powder**), Simmondsia Chinensis Seed Oil* (**jojoba oil**), Calendula Officinalis Flower Extract* (**marigold extract**), Phytic Acid, Sodium Benzoate, Linalool**, Glyceryl Caprylate, Polyglyceryl-6 Oleate, Sodium Surfactin, Tocopherol, Lavandula Hybrida Grosso Herb Oil (**lavender oil**), Helianthus Annuus Seed Oil* (**sunflower oil**), Daucus Carota Sativa Root Extract* (**carrot extract**), Rosmarinus Officinalis Leaf Extract* (**rosemary extract**). ECHINACEA SHAMPOO ANTI DANDRUFF

This shampoo is very effective against dandruff because it contains red coneflower and natural plant acids. These acids strengthen the acidity of your scalp and make it very difficult to dandruff without irritating your skin. At the same time, the shampoo is still mild and nourishing for your scalp, because no synthetic raw materials or aggressive soaps are used. The plant acids used are 100% natural and registered with ECOCERT. Can also be used as an preventative measure. Let this shampoo soak in before rinsing, so that the plant acids can do their job well.
